

Hola a todos!

My name is Sebastian and I am happy to say hello to you today. In my new role as part of the ESADE Austria Chapter, I am supporting Karine to engage all of you to build a strong and valuable network of ESADE Alumni and make this a fun experience for everybody.

Since 2007, I had been working at Bayerische Landesbank in New York City as a Project Specialist and later as a Controller. During that time, I graduated from the GEMBA program in 2011. In December 2017 I moved to Vienna and joined Raiffeisenbank International as a Business Analyst.

During my time at the ESADE New York chapter, I had the opportunity to meet many amazing people at ESADE Alumni Events and I am very excited to meet all of you now!

See you very soon at our next Esade Alumni event in Vienna!
